

# CENTRE COUNTY HISTORICAL SOCIETY

## *Centre Furnace Mansion*

1001 East College Avenue ☪ State College, Pennsylvania 16801 ☪ 814.234.4779

We are pleased to announce a new fundraising campaign in collaboration with Team Blue Hand Car Wash in State College (<http://www.teambuehandcarwash.com>).

When you redeem our certificate at Team Blue for an Exterior Hand Car Wash, CCHS will receive a check for \$3 for each Exterior Hand Car Wash purchase.

This is a great way to help the Historical Society, while also taking care of your vehicle. Not only will your car look more attractive, but regular cleaning helps to prevent corrosion (especially from road salt). By keeping your vehicle in a clean state you can prolong its life and slow the depreciation of value.

Certificates are available at the Centre Furnace Mansion and can also be downloaded and printed.
